

Stretch Trousers Capsulized™ Kneepads Holster Pockets

The world's first work trouser with certified kneepads permanently welded into place. Durable and comfortable, these slim-fit trousers are built for everyday use.

These long-lasting trousers feature an enhanced flexibility thanks to a 2-way stretch fabric and additional 4-way stretch panels at key stress points. CORDURA® reinforced holster, ruler, and cargo, pockets add a durable, everyday-carry functionality. And our new, lightweight, low-profile and welded-into-place Capsulized™ kneepads provide an ergonomic, always-on protection during the entire workday.
